

CERTIFICATE

Full quality assurance with design examination
and special surveillance of the final assessment - **Module H1**

Certificate № 0040-025-QS/10

Name and address of
manufacturer:

Remix-BulgariaLtd., Sofia, 1720 Sofia, Georgi Belov № 2

Location of audit:

Remix-Bulgaria Ltd., Sofia, 1720 Sofia, Georgi Belov № 2

Verification Bulgaria Ltd., Notified Body № 2162, after testing the quality of the production of" Remix Bulgaria OOD, Sofia approved system applied for the design, manufacture, final inspection and testing by an approved project under the certificate № 0039-025-OS TPED/10 for Research Project (Module B1) the following transportable pressure equipment:

Battery vehicles / MEGC:

1. Semi platform type SPL 24 / L -13.62 for transporting bottled batteries, compressed gas type priroden BS 20 P200-5062;
2. Semi platform type SPL 24 / L -13.62 for transporting bottled batteries, compressed gas type priroden BS 20 P200-5782;
3. Platform type WCS - 7.45 for transporting bottled batteries for compressed gas type priroden BS 20 P200-2520;
4. Platform type WCS - 7.45 for transporting bottled batteries for compressed gas type priroden BS 20 P200-2565;
5. Batteries of cylinders for compressed natural gas type H 540 BB 200 BB 810 H 200, H 1080 BB 200, BB 1440 H 200;
6. Batteries of cylinders for compressed natural gas type H 640 BB 200;

Quality system ensures conformity of the manufactured transportable pressure equipment with the requirements of Directive 2010/35 (99/36/ES) / EN 13807 / EN 13769, introduced by the Ordinance on the essential requirements and conformity assessment of the transportable pressure equipment in module H1 (B1 + H). The manufacturer is entitled to put this sign on the manufactured products thereof to the approved project, accompanied by the identification number of the notified body:

π 2162

The approval was granted based on:
Audit report №: 0051-025-OS/10

Sofia, 08.12.2010

Expiry date: 12/07/2013
