QUOTATION FOR GAS REGULATING PANELS (GRP 200 – 4 BAR) FOR REDUCING THE PRESSURE FROM 200 TO 4 BAR OF COMPRESSED NATURAL GAS, DELIVERED IN SEMI-TRAILERS, PLATFORMS AND BATTERIES FROM CILINDERS (GAS BUNDLES)

Dear Sirs,

My name is Lubo Ganev and I am the Manager of Remix Bulgaria Ltd., which is the exclusive representative for Bulgaria of the Italian companies **BRC** and **SICOM** for modular methane stations with compressed natural gas (methane), manufacturing new semi-trailers, platforms and gas bundles, complete with cylinders of the company **DALMINE** designed for transporting and storing natural gas (methane) compressed at 200 bar. It is my pleasure to propose to you a quotation for gas regulating panels (GRP 200 – 4 bar) with various capacities per hour for reducing from 200 to 4 bar the pressure of compressed natural gas (methane) delivered in semi-trailers, platforms and batteries from cylinders. All gas regulating panels, manufactured by Remix Bulgaria OOD, meet all the necessary requirements and EU standards, and are tested and certified in Bulgaria and CE marked.

1. **Design 1/A. GRP 200 – 4 bar with a capacity of 1000 nm³/h, and heated by a gas boiler 32 Kw and loops. Very functional for medium sized and big industrial consumers. Single-unit price, excl. VAT: 32 000,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 1 000,00 BGN.**
2. **Design 1/B. GRP 200 – 4 bar with a capacity of 1000 nm³/h, heated by a gas boiler 32 kW and equipped with a heat-exchanger COPRIM. Very functional for medium sized and big industrial consumers. Single-unit price, excl. VAT: 40 000,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 1 200,00 BGN.**
3. **Design 2/A. GRP 200 – 4 bar with a capacity of 500 nm³/h, heated by a gas boiler 24 kW and loops. Very functional for medium sized and big industrial consumers. Single-unit price, excl. VAT: 16 000,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 500,00 BGN.**
4. **Design 2/B. ГPII 200 – 4 bar with a capacity of 500 nm³/h heated by a heat-exchanger and an electric heater COPRIM BIVAP 16 Kw. Very functional for medium sized and big industrial consumers. Single-unit price, excl. VAT: 20 000,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 600,00 BGN.**
5. **Design 3/A. GRP 200 – 4 bar with a capacity of 100 nm³/h, heated by a gas boiler 8 kW and loops. Very functional for small and medium sized industrial and public consumers. Single-unit price, excl. VAT: 13 000,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 400,00 BGN.**
6. **Design 3/B. GRP 200 – 4 bar with a capacity of 50 nm³/h, heated by a gas boiler 4 Kw and loops. Very functional for small and medium sized industrial and public consumers. Single-unit price, excl. VAT: 11 000,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 350,00 BGN.**

7. **Option 3/C. GRIT 200 – 4 bar and from 4 bar to 20 mbar with a capacity of 5 nm³/h, electrical heating, equipped with a thermostat and ultimate protection 300 W with an installed flow gauge. Very functional for household consumers. Single-unit price, excl. VAT: 1 500,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 100,00 BGN.**
8. **Design 4/A. GRIT 200 – 4 bar and from 4 bar to 100 mbar with a capacity of 130 nm³/h, heated by a gas boiler 16 kW and loops, with an installed flow gauge. Very functional for small and medium-sized industrial and public consumers. Single-unit price, excl. VAT: 27 500,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 900,00 BGN.**
9. **Design 3/A. GRIT 200 – 4 bar and from 4 bar to 100 mbar with a capacity of 50 nm³/h, heated by an electric boiler 4 kW and loops, with an installed flow gauge. Very functional for small and medium sized industrial and public consumers. Single-unit price, excl. VAT: 15 500,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 500,00 BGN.**
10. **Design 3/A. GRIT 200 – 4 bar and from 4 bar to 100 mbar with a capacity of 30 nm³/h, heated by an electric boiler 2 kW and loops, with an installed flow gauge. Very functional for small and medium sized industrial and public consumers. Single-unit price, excl. VAT: 12 500,00 BGN. Option for renting under a one-year lease contract: price per month, excl. VAT: 400,00 BGN.**

Remix Bulgaria Ltd. uses pressure regulator **TARTARINI** model **RP-10** for two-stage reduction of the pressure from 200 to 4 bar. All gas regulating panels are equipped with a cock system at the inlet and all the necessary stop valves, measuring and flow gauges and protection fittings. Each panel is delivered complete and mounted in a special metal box /cabinet/. The guaranty period is **12 (twelve) months**. The products described above, manufactured by **Remix Bulgaria Ltd.** are delivered with a declaration of conformity in accordance with the requirements of **PED 97/23/CE** – Pressure Equipment Directive CE mark, passport and test certification.

You can contact me for any information that you may require at tel.: **0888-330053** or in the office at tel./fax: **02-8629057** or **02-9745012**. E-mail: **remix@datacom.bg** **www.remixbg.com**

Yours truly:

Lubo Ganev
